Today is Support Staff Day - a day when we celebrate our amazing Support Staff and show our gratitude for all they do! We have a fabulous team of Support Staff at Reremoana; our team in the office, Dean our caretaker, and the most patient, empathic team of Learning Assistants who support our children when they need a bit more support with learning, emotional regulation, language or behaviour. A Learning Assistant in every class is always at the top of a teacher's wishlist!

Support Staff really are the glue that holds a school together and often find themselves doing jobs well outside their job descriptions. On behalf of our staff and students, I want to thank our Support Staff for everything they do - we are so grateful for you!

When you see them around the school, please take a moment to show your gratitude too.
