I'd like to start by thanking everyone for their support of our move-athon - we raised \$9667 (with some costs to come out of this still). An awesome effort in today's challenging cost of living environment. We really appreciate every dollar! It was great to see the wide variety of movement our students engaged in and how many reached the goal they set for themselves. There were some pretty challenging goals set! Aiming high! We know our community values sporting and movement opportunities and how they support our physical health.

I'd also like to thank everyone for their feedback so far on the community health curriculum survey; we have had a fabulous number of responses. The survey closes on Monday. This data will be helpful in our prioritisation and teaching of the health curriculum. We will feed back more information in time as we complete the surveys for community, staff and students.

This term is a busy one for sport and physical activity. We currently have a large group of Year 6-8 students attending Sports Camp for the first time and having a wonderful time from what we have heard so far. After this experience we will reflect on if this might become a more regular part of our sporting opportunities for our school. We also have our AIMS team competing in rip rugby, orienteering, gymnastics and golf later this term.

Which brings me to the Father's Breakfast - this is not only a fabulous event for fathers and father figures in children's lives to come to school, connect and make memories while enjoying some food together but it's our main fundraiser to support our AIMS team going to compete. Don't miss out on getting tickets for this event! A huge thanks to our staff and AIMS parents for making this event happen for our school community. Lots of exciting physical activity going on at Reremoana and I know our students always represent our school with pride

CONGRATULATIONS!

Every year we enter teams into the Manurewa Mathex competition. This involves teams of four competing against other local schools, completing problem solving tasks against the clock.

This year our Year 7/8 team of Eden, Bree, Jason and Josh came second.

Even better, our Year 5/6 team of Zoe, Yiyang, Yijin and Dhristi WON their competition. Ka rawe!

MATHEX

WE WILL BE CELEBRATING TONGAN LANGUAGE WEEK THROUGHOUT WEEK 5 THIS TERM. HOWEVER, OUR PASIFIKA GROUP JOINT PERFORMANCE WILL BE DURING THE CELEBRATION ASSEMBLY IN WEEK 6.

TONGAN LANGUAGE WEEK

THIS IS DUE TO SOME KEY MEMBERS OF OUR PASIFIKA TEAM BEING AWAY AT SPORTS CAMP IN WEEK 5 AND A WIFI UPGRADE ACROSS THE WHOLE SCHOOL IN WEEK 5, RESULTING IN THE HALL SOUND SYSTEM BEING UNAVAILABLE.

CHILDREN ARE STILL INVITED TO CELEBRATE THE END OF TONGAN LANGUAGE WEEK BY WEARING THEIR CULTURAL ATTIRE ON FRIDAY WEEK 5.

WEETBIX TRY-ATHLON

The dates have just been released for the 2024/2025 series of the Weetbix Tryathlon. This year the event is on 20 November, which is the same date that Te Awa go on camp. This event is a popular event for our Year 4-6 students who have formed the bulk of our school team in previous years. Therefore we have decided that this year we won't be entering a school team.

If your child is in Year 2, 3 or 7, 8 and would like to participate in the South Auckland Weetbix Tryathlon you are welcome to enter them as an individual. Please let office@reremoana.school.nz know they have been entered in the Tryathlon so we can code our attendance register correctly.

If your child is in Te Awa and would like to take part in the TRYathlon, alternative dates would be Hamilton - 8 December 24 or Central East Auckland (Pt England) on 30 March 25.

CHOIR SUCCESS

On Friday 9 August our choir competed at the South Auckland Performing Arts Competition. It was a fantastic night with groups singing all different types of genres.

Performances were broken into different 'class' groups and our full choir sang an 'Encanto Medley' from the Disney Encanto movie and 'This is Me' from the Greatest Showman.

We also had two smaller groups 'The Fireflies' and 'The Shreks'. The Fireflies sang the song by Owl City with the song name, and the Shreks sang 'I'm a Believer'.

We received a 3rd place, two Highly Commended and a Commended for our performances.

The judge commented on our wonderful soloists and how strong our singers were and also gave us valuable feedback on what we can improve on.

LET'S GO FLY A KITE...

Te Puna Kite Flying - As part of our 'Identity' Inquiry around the legend of Manurewa, the Te Puna Team made and flew kites. The children loved the experience.
