Junior School Athletics Day on Friday, 29th November will be for our Te Puna Iti and Te Puna students. All students turning 5-7 this year are invited to participate in this fun-filled day of exciting athletic events. The event will take place at Reremoana School.

Activities will include sprint races, relays, hurdle races, discus, chicken throw, long jump and so much more. The full program will be shared at a later date.

We need parent helpers to assist in running the events. No experience is necessary—just your enthusiasm! If you're available to help, please contact Karien at karienf@reremoana.school.nz.

To make the day extra special, we are asking for a **\$5** contribution to go towards prizes and a special treat for all participating students. Payment should be made via HERO as soon as possible.

HATS in Term 4

A reminder that it is compulsory for students to wear a Reremoana School hat in Term 4. Please make sure your child has one and that they are clearly and effectively named. All students are able to wear bucket hats, and Y4-8 students can wear a bucket hat or cap.

2024 Yearbook

Several whānau are yet to order this fantastic momento. For new students to our school in 2024, the Yearbook is a colourful summary of the year, and treasured keepsake. There are copies of previous years in the office foyer for anyone who wishes to view. Pre-ordering is essential - please do so on HERO; \$25.

Aotearoa Teachers Day

We hope you read the information about Aotearoa teachers Day from our Head Leaders, shared via HERO last week. It would be great to see whānau get behind acknowledging our kaiako on November 1st. A reminder will be sent home next Wednesday. Do take some time to check out the ideas shared on HERO.

Home Learning Parent Survey

Also shared via HERO earlier this week, was a survey asking for feedback around home learning. If you have not already provided feedback and would like to, you can do so via [this google form](#).

ATTENTION

When using Kindo it is the responsibility of PARENTS to create a student account, ensure the correct hub is listed and to order items against the appropriate student (please don't order for multiple children via one student, as this makes distribution of lunches tricky). Please ask at the office if you are unsure of how to create your KINDO account.
